

ESSENTIAL MAINTENANCE WORKS:

A5 JACK'S HILL Multi-Disciplinary Project

Update Bulletin 10 ***STOP PRESS*** – 17.8.2020

Please note that works are continuing in **Phase 2, which runs northwards from Banbury Lane / Butcher's Lane crossroads, Foster's Booth to Northampton Road (Litchborough)**, until 6am Wednesday 19th August 2020.

This means that works in **Phase 5, which runs northwards from Main Street, Church Stowe to Heyford Lane, Stowe Hill** and **Phase 6, which runs northwards from Heyford Lane, Stowe Hill to Weedon Bec**, will now start at 8pm on Wednesday 19th August 2020 instead of tonight as originally planned.

These works in **Phases 5 and 6** will run concurrently until one of the phases is completed.

To maintain a safe environment for our workforce and road users, the A5 will be closed to through traffic between the Towcester Roundabout (A43) and Weedon crossroads during our working hours.

All carriageways will remain open, as usual, when we are not working.

Please also note that all our planned road works may be subject to change due to weather conditions, unforeseen circumstances or restrictions placed on us as a result of the Coronavirus emergency.

I apologise for any disruption our works may cause. Please plan ahead and allow extra time for your journey.
