Dear Sir or Madam

A5 KILSBY TO WEEDON NOTIFICATION OF INVESTIGATORY WORKS

From early March 2019 we will be carrying out essential maintenance works on the A5 between Kilsby and Weedon.

To make sure our works programme is delivered as efficiently and effectively as possible, investigatory foundation strength testing is due to start on **11th February 2019** and is scheduled to be completed by **16th February 2019**.

Our work will be carried out between 8pm and 6am, Monday to Friday (week night closures).

To maintain a safe environment for our workforce and customers, the A5 will be closed to through traffic between the A45 Weedon crossroads and Kilsby during our working hours.

Our work will be carried out in stages between:

- Weedon Crossroads to A45 Daventry Link Road **11th February 2019**
- A45 Daventry Link Road to Heart of the Shires **12th & 13th February 2019**
- Heart of the Shires to Daventry Road **14th February 2019**
- Long Buckby B4036 to Watford B5385 **15th February 2019**

Please note that all our planned roadworks may be subject to change due to weather conditions or unforeseen circumstances.

During all closures we will put in place fully signed diversion routes which have been agreed with the Local Authority.

Public Information Event

To support our essential maintenance works, which will be delivered between early March 2019 and the end of October 2019, we are hosting a Public Information Event on **15th February 2019**. During the event we will share information about the scheme and display our approved diversion routes and road closure phases. Our team will also be available to answer any questions you may have.

Further details about this event can be found on the enclosed flyer. Feel free to share this on your digital communication channels and with colleagues and friends who may be interested in our essential maintenance scheme.

Contact us

If you have any questions about this work, please contact our **Public Liaison Officer**, Irene Plant, as follows:
